TO THE PARENT

More pictures, more fun! Golden® Giant Paint with Water books have 50 percent more pages than our standard Paint with Water format. Children will enjoy the bright colors that bring the many delightful scenes to life, just by using a brush and water! Colors are non-toxic, and pages are perforated for easy removal.

HOW TO USE:

- Prepare a flat work surface covered with newspaper.
- Provide an old shirt or smock, a container of water, and a paintbrush.
- Select a picture and carefully tear it at perforation. (Pictures are printed on one side for best painted results.)
- Apply a small amount of water to patterned areas, keeping within black outline. Rinse brush before going from one color to another.
- Allow picture to lie flat to dry.
